

Dallas Catholic Youth Conference

Safe Environment Renewal Guidelines

Because DCYC serves so many young people, the Diocese of Dallas requires that all adults presenting, chaperoning, or serving in any capacity be Safe Environment cleared at the time of the conference.

Below are instructions for Safe Environment renewal. Please let us know when you have completed the required Safe Environment process or the required update to your renewal so that I can make sure that your updated status is reflected in the Diocese of Dallas records.

Thank you,
DCYC Project Manager
